

FOCC holds inaugural sessions

Students and some parents who attended the session.

FOCC holds inaugural session

Under the auspices of Friends of CRY Club (FOCC) Kuwait, Brain Bang — the Accelerated Learning Arm of FOCC held its inaugural and introductory session on Sunday Oct 14, with a Big Bang! Thanks to the parents and students for their very encouraging response and Executive Coordinator of FOCC Shoukath Ali and FOCC Secretary Moti David for their esteemed presence at

the Indian English Academy School — Salmiya.

The Brain Bang Team had a very informative and interactive session prepared for the parents while the students had brief taste of what was in store for them in the usage of Accelerated Intelligence. The focus is on Creativity in Learning, Tools and Techniques to empower your mind,

Profile based Learning, Activity, fun, games and worksheet based assignments, Practical Experiments, Mind Gymnastics, Application of Learning Techniques to conventional study. For details, visit the website: www.focckwt.org, email: focckwt@yahoo.com or Phone 7512911. As we say at FOCC: A journey well started is just the beginning!

Under the auspices of Friends of CRY Club (FOCC) Kuwait, Brain Bang - the Accelerated Learning Arm of FOCC held its inaugural and introductory session on Sunday, 14th Oct 2007, with a Big Bang! Thanks to the parents and students for their very encouraging response and Executive Coordinator of FOCC Shoukath Ali and FOCC Secretary Moti David for their esteemed presence at the Indian English Academy School - Salmiya. The Brain Bang Team had a very informative and interactive session prepared for the parents while the students had brief taste of what was in store for them in the usage of Accelerated Intelligence. The focus is on *Creativity in Learning, Tools and Techniques to empower your mind, Profile based Learning, Activity, fun, games and worksheet based assignments, Practical Experiments, Mind Gymnastics, Application of Learning Techniques to conventional study.
